Administrator

Joseph VidyaKshetra strives to provide ample scope for physical, intellectual and social development of students. We endeavor to give our students the unflagging belief that they are braver than they believe, stronger than they seem, and smarter than they think.

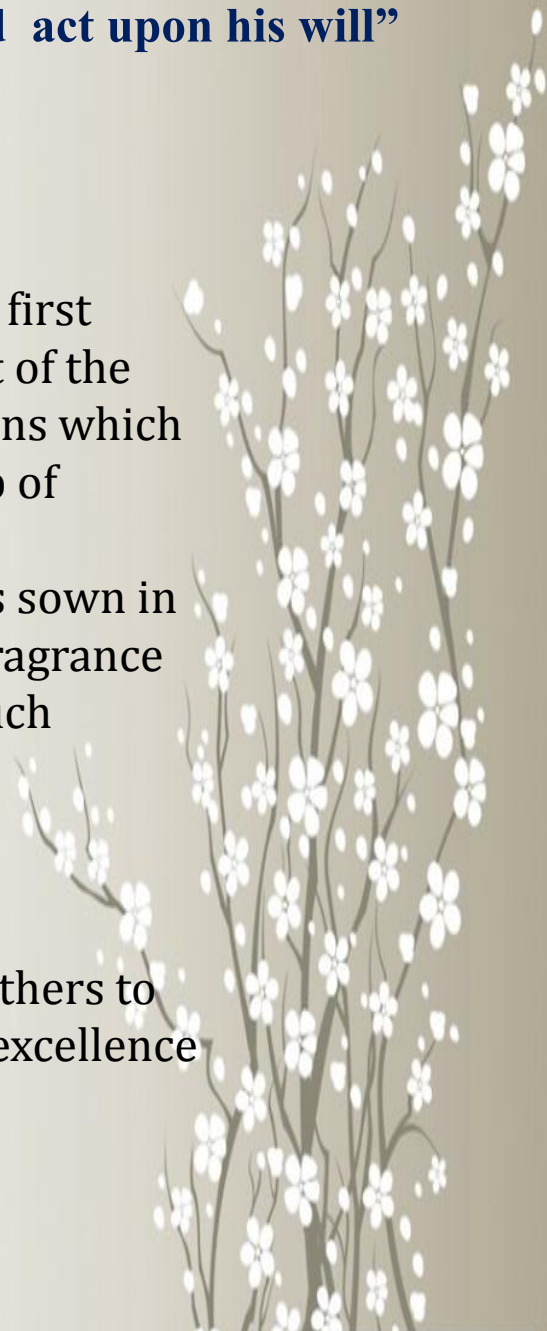

“Great Leaders are those who rely on God the Father and act upon his will”

Our Founder Chairman
Rev. Fr. Dr. J. E. ARUL RAJ laid the first corner stone in the establishment of the esteemed DMI Group of Institutions which are now recognized as DFT Group of Schools.

The first seed of his vision was sown in the year 1984 and later gave its fragrance which spread to produce many such institutions in India and abroad

The legacy of his entrepreneurship and his actions inspire others to dream, learn, do and become more committed to academic excellence and continuous learning with holistic development.

Our Motto

Fully Human and Fully Alive

Joseph VidyaKshetra, in its pursuit of a holistic education , prepare every child to succeed in rapidly growing world.

Ecological School Premises

Joseph VidyaKshetra designed the educational infrastructure in such a way so that it maximizes the accessibility and effectiveness of education being delivered.

To ensure the mental and physical well-being of the students, classrooms are provided with the finest ventilation and a complete air condition.

LABS

Joseph VidyaKshetra has extensive labs for language, maths, science and computer which provides an experimental foundation for the concepts introduced. Students enhance their learning by doing varied experiments which kindles their interest visually and kinesthetically.

LIBRARY

The School library is the hub of intellectual activities and is rich in reading material and reference resources, which provide information and ideas that are fundamental to functioning successfully in today's information and knowledge-based society.

Cognitive Procedure

Joseph VihyaKshetra has the distinction of providing integrated scheme with the New Policy of education. The school follows the curriculum prescribed by the CBSE and is based on the guidelines established by the National Council of Education Research and Training ([NCERT](#)).

Our activity based curriculum centers around active learning and presenting information to the students in a fun and interactive way.

The core curriculum at Joseph VidyaKshetra is envisioned to offer an all inclusive learning aiming individual excellence.

Digital Learning

As a pioneer in bringing digital education to the classrooms, Joseph VidyaKshetra did bring about a radical change in the traditional ways of teaching with its exemplary innovations in the digital space.

We take pride in having built a legacy of introducing latest technology based solutions to our curriculum implementation.

Wi-Fi Campus

The entire campus is Wi-Fi enabled with high speed internet connection to allow the students to access the internet.

Tab lab

Students are provided appropriate technical training with the use of electronic tablets with a unique opportunity to explore and exploit the digital world.

COMPETITIVE EXAMS

With the aim of promoting English, Science, Mathematics & Computer Education, Joseph VidyaKshetra has been encouraging children to take up the

- Cambridge English Language assessment
- NASO Olympiad Exams
- SOF Olympiad – IEO, IMO, NSO
- Spell Bee International

ABACUS

Abacus education improves the skills of Visualization (photographic memory), Concentration, Listening Skills, Memory, Speed, Accuracy, Creativity, Self Confidence, Self-Reliance resulting in Whole Brain Development.

Non Academic Activities

SPORTS

Joseph VidyaKshetra provides competitive athletic prospects to all students striving for wide contribution and eminence while boosting the highest levels of sportsmanship.

ART & CRAFT

Students are taught a variety of skills like - creativity, visual learning and decision making in our Art & Craft session

FIELD TRIPS

Field trip allows students to have real world experience, which clearly illustrates and enhances the information taught in the curriculum. It gives a chance to experience hands on learning while being introduced to new environment.

DANCE AND MUSIC

Dance education aids the development of kinesthetic intelligence, creating opportunities for self-expression and communication . The music classes serve as a platform for creating tiny musicians of all genres and skill levels.

CELEBRATION OF SPECIAL DAYS

Celebrations in Joseph VidyaKshetra have become an integral part of joyful learning, community building and thought provoking processes.

COMPETITIVE SKILLS

Competitions are conducted periodically which provide a myriad of opportunities, a platform to demonstrate talent and a stepping-stone for students to achieve greater heights in life.

CLUB ACTIVITIES

The club not only aims at giving children solid base knowledge, but also helps to bring out their creativity, boost their self-esteem, give them an atmosphere to work as a team, and teach them to plan and make choices

YOGA

Yoga is an integral part of 'Health and Physical Education' which is a compulsory subject. This curricular area adopts a holistic definition of health within which Physical Education and Yoga contribute to the physical, social, emotional and mental development of a child.

ROBOTICS

Robotics courses as a part of our curriculum adhere to the needs of the changing world by equipping our students with a skill set that will help them in the longer run.

Joseph VidyaKshetra encourage the talents of every individual by promoting various cultural activities.
