

ST.JOSEPH MATRIC HR SEC SCHOOL - POONAMALLEE

JULY NEWS LETTER

03.07.2025

Zonal sports Inauguration programme was conducted. A zonal-level Tennikoit match was conducted on our campus. Students actively participated.

The Zonal Sports Inauguration Programme was successfully conducted on our campus, marking the beginning of an exciting series of athletic events. As part of the programme, a zonal-level Tennikoit match was hosted, drawing enthusiastic participation from various schools. Our students actively took part in the event, showcasing their skills, sportsmanship, and team spirit. The event created a vibrant and energetic atmosphere, encouraging healthy competition and camaraderie among the participants.

ENVIRONMENTAL DAY CELEBRATION BY HIGHER SECONDARY

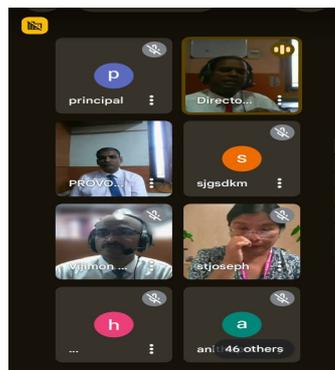

Environment Day was celebrated with great enthusiasm by the **Biology Department of the Higher Secondary section**. The event focused on raising awareness about environmental protection and sustainability among students. The program was graced by **Dr. M. Balachander**, , **Assistant Professor LOYOLA College**, who served as the **Chief Guest**. He addressed the gathering with a powerful and insightful speech, emphasizing the importance of preserving biodiversity, reducing pollution, and adopting eco-friendly practices.

Dr. Balachander delivered an enlightening address on the theme of this year's Environment Day, emphasizing the urgent need to tackle issues such as **climate change, deforestation, biodiversity loss, and plastic pollution**. He encouraged students to adopt simple yet impactful eco-friendly habits like **reducing plastic use, conserving water, planting trees**, and spreading awareness within their communities. His inspiring words motivated students to reflect on their role in preserving nature and becoming agents of change.

The event featured various student-led activities, including **poster presentations, speech competitions, and a short skit** on environmental protection, which added vibrancy and educational value to the program. The celebration not only enhanced students' understanding of environmental issues but also fostered a sense of **eco-consciousness and responsibility**. The session concluded with a **pledge to protect the**

environment, followed by a **tree planting activity** on campus, symbolizing the students' commitment to a greener future.

4.07.2025

Academic Coordinator Mr. Vijimon Ayyappan conducted an online meeting with the High School teachers to discuss academic progress and future plans. The session focused on reviewing students' performance, sharing effective teaching strategies, and planning upcoming academic activities. Teachers actively participated in the discussion, contributing valuable inputs to enhance the overall teaching and learning experience. The meeting served as a productive platform for collaboration and academic planning

07.07.2025

The Principal convened a **Sports Day work allotment meeting** to ensure the smooth and systematic planning of the much-anticipated event. The meeting aimed at promoting **effective coordination** among the staff and laying out a clear roadmap for the successful conduct of Sports Day. **Teachers were assigned specific responsibilities** such as event coordination, student discipline, attendance monitoring, anchoring, first aid, logistics, prize distribution, and refreshments. Each role was explained in detail, and instructions were given to ensure clarity in execution.

The Principal emphasized the importance of **punctuality, cooperation, and preparedness** to manage the day efficiently and avoid last-minute confusion. Teachers shared valuable suggestions regarding **event flow, crowd management, and student safety**, which were noted for implementation. The meeting also stressed the need for regular updates and pre-event rehearsals to maintain smooth progress.

This collaborative session fostered a strong sense of **team spirit and mutual support**, encouraging everyone to work together toward making Sports Day a **disciplined, engaging, and enjoyable event** for both students and spectators. The meeting concluded with a shared commitment to excellence and enthusiasm for creating a vibrant and successful celebration.

11.07.2025

"முதல்வன் விருது" by CSC computer Education for our Board Toppers (STD X & XII) CSC Computer Education proudly presents the "முதல்வன் விருது" (Mudhalvan Award) to honour the outstanding academic achievers of Std X and XII Board Examinations. This prestigious award is designed to recognize and reward students who have excelled in their public exams, acknowledging their hard work, dedication, and commitment to excellence. By celebrating the success of these board toppers, CSC aims to motivate other students to strive for higher academic goals and foster a culture of learning and achievement. The award typically includes certificates of merit, mementos or trophies, and may also include scholarships or learning vouchers, depending on the centre's program. The Mudhalvan Virudhu is more than just a recognition—it's a celebration of young minds destined for a bright future.

GST DAY CONDUCTED BY COMMERCE DEPARTMENT OF HIGHER SECONDARY

The Commerce Department celebrated GST Day on 11th July 2025 Chief guest CA S.KEERTHANA , CA SELVAKUMARAN R AND our Alumni Kiran Manonmani added a great start for the program, with various student-led programs such as Villupattu,

skit, English speech, and Tamil speech. These activities helped raise awareness about the importance of GST in simplifying the tax system and unifying the Indian market. The celebration provided students with an opportunity to understand GST's role in promoting economic transparency and national integration.

15.07.2025

Literary program opening ceremony was conducted by Std I-V and exhibited their talent through speech, dance, acting etc.,

On 15.07.25, **Kamarajar's** Birthday and the opening ceremony of the Literary Club were celebrated in a meaningful and inspiring manner. The event aimed to enhance language skills and promote a love for literature among students. Dr. Jasmine Suja, the Senior Principal of St. John's School, Thiruninravur, graced the occasion as the chief guest. Her presence and motivating address added great value to the celebration, encouraging students to actively engage in literary activities and uphold the legacy of Kamarajar's vision for education.

The Principal met the participants of the Change Makers World Cup (CWC) competition and extended warm encouragement and support. During the interaction, the Principal appreciated their enthusiasm, innovative ideas, and commitment to bringing positive change. The motivating words boosted the students' confidence and inspired them to give their best in the competition while pholding the spirit of teamwork and social responsibility.

PARENT MEETING:

14.07.2025

Std XI & XII open day to discuss the academic performance of june monthly test. Timing: 4.00 pm to 5.15 pm on 14 july 25 A parents' meeting for the higher classes was conducted to discuss students' academic progress, upcoming board examinations, and overall performance. The meeting served as a platform to strengthen the collaboration between teachers and parents in guiding students through their crucial academic phase. Important updates regarding syllabus completion, exam schedules, and study strategies were shared. Parents were encouraged to support their wards in maintaining focus, discipline, and a balanced routine. Feedback and concerns from parents were also addressed constructively

18.07.2025

A Parents' Orientation Program was conducted to welcome and guide the parents about the school's vision, academic plans, and co-curricular activities for the academic year. The session aimed to strengthen the partnership between parents and the school in supporting students' overall development. Key guidelines, expectations, and support systems were shared, and parents were encouraged to actively participate in their child's educational journey. The program concluded with an interactive session, where parents shared their queries and received valuable insights.

Literary Program by Primary Department

A lively and engaging literary program was conducted by the primary students, featuring a delightful mix of skits and speeches in both English and Tamil. The children showcased their creativity, imagination, and confidence through well-prepared performances that captivated the audience. The skits were based on moral stories and everyday situations, helping students understand values like honesty, teamwork, and kindness. The speeches allowed them to express their thoughts on simple yet meaningful topics, enhancing their vocabulary and public speaking skills. The program aimed to promote language development, boost stage confidence, and encourage participation in co-curricular activities. Parents and teachers appreciated the enthusiasm and effort put in by the young performers, making the event a memorable and inspiring experience for all.

INTRODUCTION TO AIRTIFICAL INTELLIGENCE

An "Introduction to Artificial Intelligence" program was successfully organized by the **Computer Science Department of the Higher Secondary section** to educate students about the future of technology. The department had the privilege of hosting **Dr. Cornelius**, a distinguished guest lecturer from **RMK College of Engineering and Technology**, who delivered a comprehensive and engaging session. He explained the

basic concepts of **Artificial Intelligence**, its origin, current trends, and practical applications in daily life such as in healthcare, education, and smart technology. The session aimed to spark curiosity among students about AI and its growing impact across industries.

Dr. Cornellius highlighted how AI is transforming the job market and the importance of gaining relevant skills at an early stage. The session included real-life examples, videos, and simple demonstrations to help students understand complex concepts easily. An **interactive Q&A session** was also conducted, encouraging students to ask questions, express their views, and explore the scope of AI in future careers. The enthusiastic participation of students made the session highly interactive and informative. Overall, the program was a great success, creating awareness and inspiring students to explore opportunities in the field of Artificial Intelligence and Computer Science.

19.07.25

INSERVICE was conducted by the High School department teachers.

An In-service program was conducted on 19.07.25 by the High School department teachers. The session focused on enhancing teaching methodologies, sharing best classroom practices, and updating subject knowledge. It provided a valuable platform for teachers to collaborate, reflect, and engage in professional development. The interactive training aimed to improve instructional strategies and ensure effective learning outcomes for C SC Computer Education honoured our Board Toppers of STD: X and XII of the Academic year 2024-25.

INSERVICE - HIGH SCHOOL

ACHIEVEMENTS:

This month has truly been a month of outstanding achievements for the students of St. Joseph's, especially in the arena of sports, where their talent and hard work shone through at every level. Our students delivered stellar performances in the zonal-level badminton tournaments, securing victories across

various categories and qualifying for the next level of competition. The Junior Boys' Singles category witnessed intense matches where our players displayed excellent skill, focus, and resilience, earning praise from both referees and spectators.

Adding to the school's sporting glory, Yashini Thangam of Class X-E made a remarkable mark by finishing as Runner-Up in the Zonal-Level Tennikoit Singles Match. Her performance reflected not only her athletic ability but also her determination and dedication to the game. These victories are a testament to the relentless efforts of our Physical Education Department, the encouragement of parents, and the spirit of the students who trained rigorously and performed with great enthusiasm.

These achievements not only bring pride to the school but also serve as a motivation for other students to pursue excellence in co-curricular activities. The month has indeed celebrated the spirit of discipline, dedication, and determination—the values that define the students of St. Joseph's.

The **Under-14 Girls' Handball Team** brought pride to the school by emerging as **winner**s in the zonal-level tournament and have now qualified to compete at the **district level**. The team displayed exceptional sportsmanship, discipline, and coordination throughout the matches. Their hard work during training sessions and strong team spirit contributed significantly to this remarkable achievement. This success not only highlights the talent of the players but also reflects the dedicated efforts of their coach and physical education department.

In another notable accomplishment, a team of enthusiastic students from **Standard XII**, under the leadership of **Kanushika**, participated in the globally recognized

Changemakers World Cup 2025, a project-based competition encouraging youth to create positive change in their communities. The team started their journey with a rank of **2229**, but through dedication, creativity, and consistent completion of impactful missions, they steadily rose in the rankings and now proudly stand at **899th position**. Their improvement demonstrates not only commitment to social innovation but also effective teamwork and leadership. Both these achievements serve as an inspiration for the entire school community, emphasizing the importance of perseverance, active participation, and striving for excellence in both co-curricular and extracurricular domains.

Thank you
